Making of Cuddington Parish Neighbourhood Plan

Decision Statement published pursuant to the Localism Act 2011 Schedule 38A (9) and Regulation 19 of the Neighbourhood Planning (General) Regulations 2012

Cuddington Parish Neighbourhood Plan

- 1.1 Work on the Cuddington Parish Neighbourhood Plan began in 2015, led by a Steering Group on behalf of the Parish Council. Preparation of the Neighbourhood Plan has involved extensive community consultation throughout, with support provided by Cheshire West and Chester Council.
- 1.2 The Cuddington Parish Neighbourhood Area is the same as the parish boundary and was approved and designated on 23 June 2015.
- 1.3 The Plan includes policies relating to four topic areas including – Environment and Landscape, Economy and Retail, Housing and Design and Travel and Movement. The Plan's vision is for Cuddington Parish to:

“Cuddington seeks to be a vibrant community-centred Parish which retains and enhances its historic and rural village character whilst meeting the needs of all sections of the community.”

- 1.4 The draft Neighbourhood Plan and its supporting documents were formally submitted to Cheshire West and Chester Council in April 2018. Following a six week period of publicity, an examiner was appointed with the agreement of the qualifying body (Cuddington Parish Council). The plan was then subject to examination and the independent examiner's report was received in 13 September 2018. The report concluded that, subject to a number of (relatively minor) modifications, the plan met the required 'basic conditions' and could proceed to referendum.
- 1.5 On 30 October 2018, the Council's Cabinet Member agreed to accept the examiner's recommendations and confirmed that the plan should proceed to referendum.
- 1.6 At the referendum held on 24 January 2019, voters were asked to say 'yes' or 'no' to the prescribed question:

“Do you want Cheshire West and Chester Borough Council to use the Neighbourhood Plan for Cuddington Parish to help it decide planning applications in the neighbourhood area?”
- 1.7 95.8% of those who voted said 'yes' to the plan. The outcome was as follows:

Response	Votes
Yes	1174
No	52
Turnout	25.8%

Making of the Plan

- 2.1 Preparation of the Cuddington Parish Neighbourhood Plan has now progressed through the prescribed stages set out in the regulations with a positive outcome at both independent examination and referendum. The plan now forms part of the statutory development plan for the area. The Parish Council and Neighbourhood Plan Steering Group are to be congratulated on a significant achievement in reaching this stage, which would not have been possible without their hard work and dedication.
- 2.2 The final stage of the preparation process is for the Council to 'make' the Plan. At the meeting of the Council's Cabinet on 11 October 2017 it was agreed that the decision to make a neighbourhood plan be discharged to the Senior Manager – Planning and Strategic Transport.
